

## REGULATIONS BMU EUROPEAN CHAMPIONSHIPS & CUPS 2023

### 01. GENERAL

- 01.1 Every year the FMNs members of the Balkan Motorcycle Union (BMU) organize series of motorcycling events - championships, cups or trophies counting for the *BMU European Championships, Cups or Trophies* in the disciplines Motocross, SuperMoto, Road Racing, Baja and Enduro with their corresponding sub-disciplines.
- 01.2 The BMU is the only body that can authorize the organization of motorcycling events counting for BCs, cups or trophies and having the name BMU European Championship, BMU European Cup or BMU European Trophy.
- 01.3 The BMU European championships, cups and trophies are OPEN events for riders from the FMNs - members of BMU.
- 01.4 Every FMN must try to avoid duplication of dates of their National Championships or local events with status of Cups, in a given discipline, with the dates of BMU European events in the same discipline, in order to provide the possibility for their riders to participate in the BMU European event.
- 01.5 The undersigned FMNs, agree to follow and respect these regulations for the mutual interest of the development of the motorcycling sport and activities in the region.
- 01.6 All issues, sporting and non-sporting, that arise from these Regulations, are subject of interpretation by the BMU Management Council, the BMU Commission in question and last but not least by the International Jury/Race Direction.
- 01.7 Each Organizing National Federation(s) and Club(s) will be solely responsible for the outcome of their inscribed events. The responsibility of homologating the track, the management of resources and officials, etc. (included, but not limited to) will rest with the Organizing National Federation(s) and Club(s).

### 02. GENERAL RULES FOR ORGANIZATION OF THE BMU EUROPEAN CHAMPIONSHIPS

- 02.1 Every event counting for the BMU European Championships, cups or trophies must be duly inscribed in the BMU Calendar for the corresponding year.
- 02.2 Every organizer, 15 days before the event must send to the BMU office (email: [sabin@frm.ro](mailto:sabin@frm.ro)), a duly completed Supplementary regulations (SR) for the event on the official BMU SR form for approval. Following the approval by BMU, the SRs will be send to all BMU FMNs.
- 02.3 The Supplementary Regulations must be approved by the FMN on which territory the event is being organized.
- 02.4 The FMNs whose riders and sporting delegates need an entry visa for a country organizing an event from the BC will send a list of its delegation to the FMNR not later than 45 days before the date of theevent with official letter asking for the required documents (e.g invitation letter) needed during the visaapplication process.
- 02.5 The Organizer should send written notice to their border-crossings points and to welcome personally the teams (if necessary) one day before the event /Friday/. In case that the FMNR is required to assist thepassing of the teams by the FMNs, an exact hour and location will be announced. In case that any participant fails to be present for the above mentioned assistance, the Organizer has no responsibilityfor their passage (not valid in force majeure) situations.
- 02.6 The organizer of BMU European Championships, trophies and cups must provide hotel accommodation for 2 nights (Friday and Saturday) for the BMU representatives (Race Director, BMU steward + 1 person, 2 double rooms).  
The Organizer can propose a hotel or hotels that must be included in the Supplementary Regulations for the event, where the riders and the teams can book the rooms that they need for the event. Moreover, the Organizer can try to arrange the possibility of preferential prices of the rooms for the riders and if asked to assist the riders and the teams to make a reservation which can be done following a requestfrom the FMN in question.
- 02.7 The timekeeping in all BMU European Championships events must be performed with transponders. The timekeeping for a BMU championship must be performed by a qualified timekeeper with a FIM license and every rider should receive a transponder that must be used by him only (change of transponders between riders during the whole event is not allowed). The results that must be providedby the timekeeper must comply with the FIM standards and must be approved by the Race Direction/International Jury. The BMU Steward and the Organizer are responsible to send the results as soon as possible to the BMU secretariat, which on the other hand will distribute themto the FMNs concerned.
- 02.8 All circuits on which are organized BMU European Championships events must have FIM, FIM EUROPE or FMNR homologation. For Motocross circuits Appendix 1 of these Regulations is valid in all cases. For the events that are not organized on permanent circuits or tracks, the organizer must respect all local legislations and obtain all required local authorization for organizing the event.
- 02.9 The Organizer of BC events must have the National flags and anthems of all of the participant countries.
- 02.10 All riders should respect the FIM Environmental Code during the event. If they did not respect this regulations they will be imposed a fine of minimum 100 euro.
- 02.11 In case of cancelation or postponing of an event, the organizing federation must send at least 15 daysbefore the event a written cancelation or letter with a possible new date for the event (subject to confirmation) to BMU. In case that the organizing federation fails to inform BMU at least 15 days

before the event, the federation is subject to penalty of 2000 euro, that will be distributed by BMU to all of its members in order to cover any already made expenses (e.g. visas, car passes etc.).

- 02.12** The organizer of BMU European Championships event must provide third party liability insurance, valid for three days (Friday, Saturday and Sunday) for the amount of minimum 20 000 euro, according to the FIM Europe Regulations. A copy of the insurance policy (if necessary translated in English) must be presented at the meeting of the Race Direction/International Jury.
- 02.13** A FMN who is willing to organize a round of their national championship parallel to BC event or inside the classification of BC event must inform and ask for a prior approval by BMU in order to arrange all formalities (e.g. timetable, officials, classes etc.)
- 02.14** In every class, to be eligible for the event and for the championship, there must be minimum three riders and minimum 3 organized events per year.

## **MX07 MOTOCROSS OF BALKAN NATIONS (MXOBN)**

MX07.1 Each year a BMU member federation organizes one event counting for National teams under the name of Motocross of Balkan Nations, which is valid both for national teams classification and individual classification.

MX07.2 Riders who have passport from one country, but participate with a license from a FMN from another country, do not score points for team classification. Riders with double citizenship will bring points only for one country, chosen by them, in written, during the whole season and during the MXoBN.

MX07.3 The FMN Delegate (03.1.8) is responsible for the communication between the Race Director, the Clerk of the Course or the BMU Steward in order to clarify a possible question or doubt about a rider and his eligibility to score points for the Teams classification.

MX07.3 The BMU Steward will prepare the team classification for every event.

MX07.4 In order to get points each national federation participates with team of riders that has been authorized and officially entered to participate by it in a given event by means of the starting permission issued by it.

MX07.5 The team classification will be performed by following scheme:

Class MX65	minimum 3 riders
Class MX85	minimum 3 riders
Class MX2	minimum 3 riders
Class MX1	minimum 3 riders

A FMN which has minimum three riders in each class (MX65, MX85, MX2 and MX1) will be classified in front of the FMNs that have less than three riders entered in the above classes.

**MX07.6** For the team classification will be taken in consideration 5 best results from each class for a maximum of 20 results per Nation. The points that will be taken for the Teams classification will be as described in MX08.01 (25-22-20 etc.) and per race, regardless of which rider scored them.

**MX07.7** In case of a tie in the total scores, result 21 will be added to the best 20 results of a given FMN, in case of another tie, result 22 and so on...

**MX07.8** The winner of the MXoBN will be the team who scored the highest number points. (MX07.7 points will be not added to the overall amount scored by the team)

## **MX08 CLASSIFICATION**

**MX08.1** The riders will receive points based on their classification in every race per event based on the following scheme:

For the classification of the riders in every race, the FIM Europe rules will apply.

**MX08.2** The individual classification for each event will be performed by summing up of the points received in the two races for all classes.

**MX08.3** The final individual classification for all classes will be performed by summing up the points received in all rounds.

## **MX09 ADDITIONAL BMU REGULATIONS FOR BMU ECMX**

**MX09.1** The outside assistance during races and practices in the junior class MX50 can be performed by anybody (if there is no special personal assigned to do so by the organizer) without creating obstructions for the participation of the other riders or putting himself or other persons in danger or making advantage of some kind for the assisted rider. The outside assistance must be performed only in cases of safety for the rider in question or the other riders. The outside assistance can include helping the rider to start the engine.

**MX09.2** The entry fee for each race from the BMU ECMX is maximum 50 euro for the classes MX2 Junior, MX2, MX1, MX and MX Senior. Classes MX50, MX65 and MX85 participate against a maximum fee of 30 euro for the BC MX. Every rider must pay the fee in order to participate in the event. The fee must be paid at the technical control or during the administrative control, depending on the decision of the organizer.

**MX09.3** The organizer covers at their expense the travel, accommodation and sundry expenses according to the FIM EUROPE Travel policy for 2023 for the Race Director and for the BMU Steward.

**MX09.4** The penalty for violation of the waved yellow and/or medical flags will be the loss of 10

positions from the practice session or race in question for each violation. Such an action will be considered as a statement of fact to which no protests are possible. This applies to all junior BMU European Championship classes: MX50-MX65-MX85-MX125 2T.

**MX09.5** The penalty for violation of the waved yellow and/or medical flags will be the loss of 2 positions from the practice session or race in question for the first violation within an event. Such an action will be considered as a statement of fact to which no protests are possible. This applies to all senior BMU European Championship classes: MX1-MX2-MX-Senior. In case within an event, the same rider violates again the waved yellow and/or medical flags will be the loss of 10 positions from the practice session or race in question.

**MX09.6** It is responsibility of the rider to select helmet and protective equipment which will provide appropriate safety. It is compulsory for junior classes (MX50-MX65-MX85) to use elbow, knee and shoulders protectors, while for the other BMU MX classes it is strongly recommended. No protective equipment or gear should be accepted at the technical control if the label has been removed from the equipment or gear.

**MX09.7** Any modifications made to the protectors will void the official certification of the equipment and thus will not be accepted.

If the clothing and/or protectors listed below does not meet the technical requirements or is found to be defective, the Technical Steward must clearly mark in red (e.g. with a red dot) all international marks without destroying them and retain it until the end of the event. The rider must submit another clothing and/or protectors for approval by the Technical Steward. After an accident involving impact, the back and chest protector must be presented to the Technical Steward for examination.

It is compulsory that all protective devices are clearly marked with the relative norms and comply with the following standard:

EN 1621-1, Level 1 or 2, for shoulders, elbows and knees  
EN 1621-2, Level 1 or 2, for the back: CB (Central Back) and FB (Full Back)  
EN 1621-3, Level 1 or 2, for the chest

For Junior riders:

Protectors for shoulders, elbows and knees are compulsory. They must comply with EN 1621-1, Level 1 or 2.

Helmets must conform to one of the recognised international standards:

EU	ECE 22-05 or ECE 22-06 (only "P" type)
JAPAN	JIS T 8133:2015 (only "Type 2 Full face")
USA	SNELL M 2015 or SNELL M 2020D or SNELL M 2020R

- RR03.2 Riders aged more than 50 years must have successfully passed special medical examination by the relevant medical authority in their country and must comply with article 5.
- RR03.3 Classes Formula 600 and Formula 1000 are for riders that do not possess sporting license grade A (for professional riders) but have sporting license grade B (amateur/hobby riders).
- RR03.4 **A separate classification for each round will be made especially for Rookie riders that step up to SBK/SSP from F1000/F600 classes in that season. Points will not be awarded or cumulated for the Rookie classes.**
- RR03.5 **New Generation bikes Supersport 600 will be allowed to take part in any Supersport 600 practice, warm-up or race with a general classification for the race. Points will be awarded as one class.**

#### RR04 TECHNICAL REGULATIONS

- RR04.1 The technical requirements for the motorcycles and the equipment of the riders are according to the Alpe Adria Motorcycle Union Road Racing Technical Rules for the corresponding year.

#### RR 05 FORMAT OF THE EVENTS

- RR05.1 The foreseen format for every class is 1 free practice, 2 time practice, Warm Up and 1 or 2 races for the double weekend events. The duration of the practices and races is according to the FIM Europe regulations where applicable.
- RR05.2 Combined races and practices for different classes are acceptable in cases of low number of riders (minimum 6 riders per given class). These combinations are only possible in the following models (SSP600 + SuperBike) and (Formula 600 and Formula 1000). However, the Race Direction has the final decision whether or not to combine the classes, but only in the abovementioned model.

RR05.3 In any case the BMU and the Race Direction of a specific event can modify the timetable in away that is most suitable for the given circumstances.

RR05.4 In the case of double weekend events, the starting grid for the second race (Sunday race) will be defined according to the best lap times of the riders in a given class achieved during the first race (Saturday's race).

#### **VALID ONLY FOR SSP600-SBK-F600-F1000**

RR05.5 In order to participate in the Races (sessions that bring points for the championship) the riders must obtain best lap time of least 110% of the best lap time achieved at the given class (after the merge of the qualifying/time session(s)). In case that the rider does not achieve 110% of the best lap time, they are not eligible to start in the Race. Upon decision of the Race direction and the organizer, riders who did not score the 110% lap time in their class, can participate in a separate race for the non qualified riders (F110 Race). The F110 race(s) can combine all not qualified riders from the above classes or can be run as two separate races (for 600cc and for 1000cc motorcycles). The F110 race(s) are timed but do not bring points for the standings (annual standings). Upon decision of the organizer, the top three riders might be given trophies and have a ceremony. Final decision for the F110 race must be taken as soon as practically possible.

#### **RR 06 STARTING NUMBERS**

RR06.1 The Starting numbers for the riders will be allocated according to the final results of the previous year. A rider can book a permanent starting number for the season, starting from 05 of January. The change of the Starting Number during the season is not allowed.

RR06.2 The FIM Europe color schemes will apply for the riders' starting numbers:

RR06.2.1 Mirror-like or reflecting numbers are not allowed.

RR06.2.2 The numbers must be clearly visible for spectators and officials.

#### **RR07 NATIONAL TEAMS**

RR07.1 The riders of the BMU BC RR score points for individual and national teams classification. Riders who have passport from one country, but participate with a license from a FMN from another country, do not score points for team classification. Riders with double citizenship will bring points only for one country, chosen by them, in written, during the whole season.

RR07.2 The FMN Delegate (03.1.8) is responsible for the communication between the Race Director, the Clerk of the Course or the BMU Steward in order to clarify a possible question or doubt about a rider and his eligibility to score points for the Teams classification.

RR07.3 The BMU Steward will prepare the team classification for every event.

RR07.4 In order to get points each national federation participates with team of riders that has been authorized and officially entered to participate by it in a given event by means of the starting permission issued by it.

**RR07.5** As of 2020, there will be one team classifications: For National Teams.

Eligible classes for team classification are:

SP125  
SSP300  
SSP600  
SBK F600  
F1000

**RR07.06** For the team classification will be taken in consideration the 4 best results from 4 classes chosen from the eligible classes as described in RR07.05. The points that will be taken for the Teams classification will be as described in RR08.01 (25-20-16 etc.) and per race, regardless of which rider scored them.

**RR07.7** in case of a tie, a result from 5<sup>th</sup> class will be taken in consideration, the 6<sup>th</sup> etc.... In case that a federation has riders from 4 classes only, a 5<sup>th</sup> result will be a result taken from any of the 4 classes. F110 results do not count for team classification.

**RR07.8** The national team's winner of a given BMU ECRR event will be the team who scored the highest number points. (RR07.7 points will be not added to the overall amount scored by the team, maximum number of official points will be 100)

## **RR08 CLASSIFICATION**

**RR08.1** The riders will receive points based on their classification in every race per event based on the following scheme:

1-25, 2-20, 3-16, 4-13, 5-11, 6-10, 7-9, 8-8, 9-7, 10 -6, 11-5, 12-4, 13- 3, 14- 2, 15-1

For every event, riders will be classified based on their number of laps completed, based on their finishing order. Riders will receive classification if:

**RR08.1.1** They have completed minimum 75% of the number of laps of the winner or:

**RR08.1.2** Have crossed the finish line maximum 5 minutes after the arrival of the winner.

**RR08.2** The final individual classification for all classes will be performed by summing up the points received in all rounds and subtracting two worst results (worst result = worst scored result during the year or non participation in a given race).

**RR08.3** Summing up of the real points received in all rounds will perform the final classification of the national teams.

## **RR09 ADDITIONAL BMU REGULATIONS FOR BMU ECRR**
